

November 30, 1960

STAT

STAT

I was deeply appreciative of your letter of 25 November 1960, and the message which you passed me from your Chief.

Please thank him for his kind message, and in thanking you for your own, I wish to assure you that one of the privileges of continuing on in this post is to carry forward the close association we have had together.

Faithfully yours,

**SIGNED**
